22 Nov SIG Spotlight 2019: Elder Financial Abuse - A Global Perspective / London, United Kingdom.

"Elder abuse is now recognised internationally as a pervasive and growing problem. Financial abuse of the elderly features heavily with increasing social pressures, fractured families, technological advances, and the use of internet banking all contributing to this issue. Although anyone can be at risk age, disability, cognitive impairment and poor mental health may make a person more vulnerable "

22 Nov SIG Spotlight 2019. Multiple Taxation on Death - The Taxpayer's Nightmare / London, United Kingdom

"This Spotlight Session will address the complex and challenging issue of multiple taxation on death. With increasing globalisation of taxpayers, beneficiaries and assets, the spectre of the taxpayer's nightmare of double and even triple taxation on death is a reality. Practitioners need to be able to identify client situations in which multiple taxation can arise and seek solutions to address it"
